Problem Statements Released — Main Hackathon Begins

Three problem statements go live. Teams have already been allocated a theme by preference. The 24-hour countdown starts now.

► COM3 MPH • SR1 • LT38

MAIN HACKATHON

12:00
60 min

○ LUNCH

► MPH Foyer & SR1 Foyer

MAIN HACKATHON

13:00
5 hrs

○ HACKING CONTINUES

Mentors are on site throughout. Venues close at 18:00 — overnight access is subject to OSA approval and is still being sought.

► COM3 MPH • SR1 • LT38

MAIN HACKATHON

09:00

2 hrs

○ ALL THREE VENUES OPEN FOR HACKING

Final stretch. Push your commits early – the submission form locks on the hour, not a minute after.

▸ MPH Foyer · SR1 · LT38

MAIN HACKATHON

11:00

T+24:00

● Submissions Due — Devpost Form Locks

Public GitHub repository, README, and a demo video of ten minutes or less. Late submissions are not judged.

▸ Devpost · link in the Telegram channel

MAIN HACKATHON

11:00

45 min

○ LUNCH

▸ MPH Foyer

MAIN HACKATHON

12:00

2.5 hrs

○ JUDGING — WALKING FORMAT

Judges circulate the hall and review each team at its station. Stay with your setup for the whole window. Tables are rearranged for this.

▸ COM3 MPH only

MAIN HACKATHON

15:00

75 min

● Main Hackathon Closing Ceremony

Winners announced, prizes and certificates presented. Three special category awards, one for each problem statement.

▸ COM3 MPH — streamed to SR1

MAIN HACKATHON

16:30

3h 15m

● Algorithmic Hackathon

A 2 hour 45 minute Codeforces contest, plus setup. Own laptops, individual, proctored – random screen checks and mandatory screen recording.

▸ Seminar Room 1

ALGORITHMIC

19:45

30 min

○ DINNER

▸ SR1 Foyer

ALGORITHMIC

20:30

30 min

● Algorithmic Hackathon Closing Ceremony

Deliberately short. Results are standings-based, three prizes awarded, and that is the weekend.

▸ Seminar Room 1
